BARN IN THE FELLS WINES

Pre Order Wine List

Nestled in the Fells, once home to a herd and flock, there lies a delightful slate barn ready to rock. A stones throw from Ambleside, the barn and Lakeland fields wait to come alive with the sound of love & laughter.

You can source your favourite tipples yourself, or take advantage of our pre-order wedding wine service from our partners EWGA Wine Merchants. They offer complimentary posting and packaging which allows you to sample our selection of wines from the comfort of your own home with friends and family.

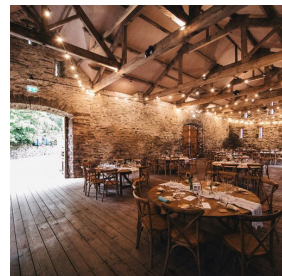

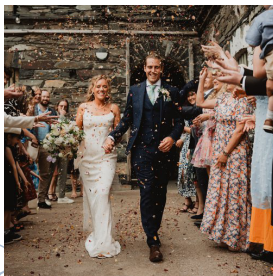

Our trusted local Wine Merchant EWGA have hand-picked the following selection of wines for you to taste and choose from. Over the past 50 years EWGA have built a long standing relationship with award winning, artisan winemakers from around the world. They buy directly from the vineyards to pass on great value wines of distinction. EWGA is a family owned Wine Merchants that supplies some of the most prestigious hospitality businesses in the UK.

You are able to select your drinks from this list of bespoke wines and choose how many bottles you wish to purchase (four glasses per bottle of still wine, six glasses of sparkling).

We do not have a minimum spend for wine as we want you to be able to choose the number of bottles you want to buy for your guests.

Use sale or return to order without worrying about having too much or too little, allowing you to return unopened and undamaged wines for a refund.
